DECLARATION OF COMPLIANCE

to Regulation No. 1907/2006/EC of the European Parliament concerning the registration, evaluation and authorization of chemical substances, and their potential impacts on both human health and the environment (REACH) - Substance List Version: January 21st, 2025

Manufacturer: Euro Cold S.r.l.

Address: Via A. Moro 11/E
41030 Bomporto (MO) - Italy

The products supplied, as per the above-mentioned standard, fall under the definition of "article" and, as such, Euro Cold's only obligation is to inform its customers of the presence of so-called Substances of Very High Concern (listed in the "candidate list") in concentrations greater than or equal to 0.1% w/w.

To date, there are no substances of this nature in the articles making up our products.

However, should we receive communications from our suppliers in the future, we will be sure to inform you promptly of the existence of any substances subject to authorization.

Type: Refrigerating units of the following models:
AWEX, ACW/O-LP, ACW/O-MP, RCFE-O, ECF, ECI

Application of Equipment: Refrigeration of fluids (oil/water/emulsion)

Place: Bomporto (MO), Italy

Date: February 2025
